VIATEC: UK Lumoline Marker

Lumoline-marker: The cost-effective, simple-to-use, cold-application option for professional line-marking applications. A combination of Viatec's high quality 'Lumoline' road marking paints and the simple to use, airless line marking equipment gives a rapid, accurate and professional finish.

Machine features:

- A vibration reduction system reduces vibration at spray tip by 60% for improved line quality
- Central gun mount allows better visibility accuracy (straighter long and smoother curved lines)
- Quick release gun provides option to mark vertical surfaces (see fourth image above)
- The Lumoliner's lightweight gun holder minimizes gun movement caused by rough surfaces
- Super hardened pump rod is built for the most demanding applications
- Fast-flush, easy-access filter
- *Optional* pre-programmable, automatic line-marking / spacing setting
